In the Ceremony of Ihtida has been held in Manavgat Mufti's office, by making *Shahadah*, german tourist Renate Rothenberger was given name Aysegul. She said she was very happy, and thanked her friends help who helped her become a Muslim. In the beginning of the Ramadan, it was a double happiness for us, said Halil Tas, the Mufti of Manavgat "coming of the Ramadan, sultan of eleven month is a source of happiness. And a Christian's choosing Islam added to our happiness. Allah made our sister to find out the right way, with a sign of His compassion. Our wish is that Allah may give her integrity, make her turn towards Him. And may Allah grant her Heaven and make her happy eternally."
