

21st Century is the Century of Islam

Nimetullah Khalil Ibrahim Yurt, Head of Islamic Center in Japan talked to the newspaper Akit in Turkey.

Mr Yurt, who has visited more than 60 countries to introduce Islam, explained that 21st Century is the Century of Islam and stated; "We have experienced that non-Muslims are eager to convert to Islam when we introduce Islam to them. Various Islamic meetings are being organized all over the World. In one meeting, a scholar told that 21st Century would be the Century of Islam. And sure enough he was right. This century turns to be the Century of Islam."
