

Harun Yahya Conference At San Antonio Air Base, Usa

A conference was held at the US Army, Lackland Air Force Base, in the city of San Antonio of the state of Texas by a representative of Harun Yahya. The subjects [The Collapse of Darwinism and the Fact of Creation](#) and [Miracles of the Qur'an](#) were told to the attendees, made up of soldiers with the ranks of specialist sergeant, non-commissioned officer and captain, in the morning and in the evening respectively. American and non-Muslim soldiers listened to the lecture with admiration. At the end of the program, the soldiers who were listening to the lecture were asked if they would like to have a Qur'an. Most of the soldiers in attendance raised their hands, and each was presented a Holy Qur'an and works of Harun Yahya.

A medal was presented to the Harun Yahya representative to be delivered to Mr. Adnan Oktar by a captain and it was noted that no other speaker was presented with such a gift ever before. It was also stated that they want to organize a wider-scaled and greater program to be attended by the whole air base in the following months.

The medal presented to Mr. Adnan Oktar after the conference
