

“the Collapse Of Darwinism” And "the Miracles Of The Qur'an” Conference At Leuven Catholic University, Belgium

Representatives of Harun Yahya held a conference titled “[Darwinism: Lie or Fact?](#)” and “[The Miracles of the Qur’an](#)” at Leuven Catholic University, one of the oldest and most important universities of Belgium, with the contribution of the student union known as IMSAL, on the 13th of October 2011. There was a large attendance for the conference, which was held in English, from both the teaching staff and students. Millions of year old fossils, which prove the invalidity of the theory of evolution, were also displayed at the conference. Also at the conference, which was free of charge, Harun Yahya's Works in Dutch, Turkish and French were distributed.
