

# Berdimuhamedov: “Turkey is our strategic partner; we are two states but one nation”

Çay TV, 23 July 2008

**Adnan Oktar:** This is indeed so natural. **WE BELIEVE IN ONE RELIGION AND SPEAK ONE LANGUAGE. WE DO HAVE EVERYTHING IN COMMON. WE HAVE THE SAME ROOTS. WE ARE ACTUALLY BROTHERS, BUT WE ARE SEPARATE.** Today, if we offer Azerbaijan to unite with us, they would accept without thinking a minute. Yet this should be offered on official grounds. **So we can easily get united as one nation two states. THERE IS NO OBSTACLE, FOR SURE. EAST TURKISTAN WILL ALSO FEEL RELIEVED. ALL ISLAMIC WORLD WILL FEEL RELIEVED AS A RESULT OF THIS UNION...** Turkey needs to put this forward. In other words, just give the name of it. Merely demanding it, will be enough for it to come true.

Abu Dhabi TV, 19 February 2009

**Adnan Oktar:** Syria wants to unite with Turkey, and Iraq. And if Syria and Iraq want it, so will everyone else. Azerbaijan wants it, and Armenia wants to unite with Turkey. Georgia wants it, so what else needs to be done? It is a union that will also include Lithuania. **IT WILL BE A UNION THAT INCLUDES LITHUANIA, ARMENIA, GEORGIA, AZERBAIJAN, KYRGYZSTAN, TURKMENISTAN AND EAST TURKESTAN AND ALL OF THEM. AS FAR AS LIBYA. A TURKISH-ISLAMIC UNION WILL EMERGE THAT STRETCHES AS FAR AS THE COAST AND INTERIOR OF AFRICA.** Turkey has prior experience, experience from the Ottoman Empire. And this time round, **the errors of the Ottomans will not be repeated.** The perfect aspects of the Ottomans will be adopted, but not their errors or deficient aspects, and a perfect union will result.
