

Eid al-Adha prayer has been performed 3 times at Islamic Cultural Center of Italy in Rome

Eid al-Adha prayer has been performed 3 times at Islamic Cultural Center, Europe's largest mosque, that hosted many men, women and children of various nationalities and men performed the Eid prayer.

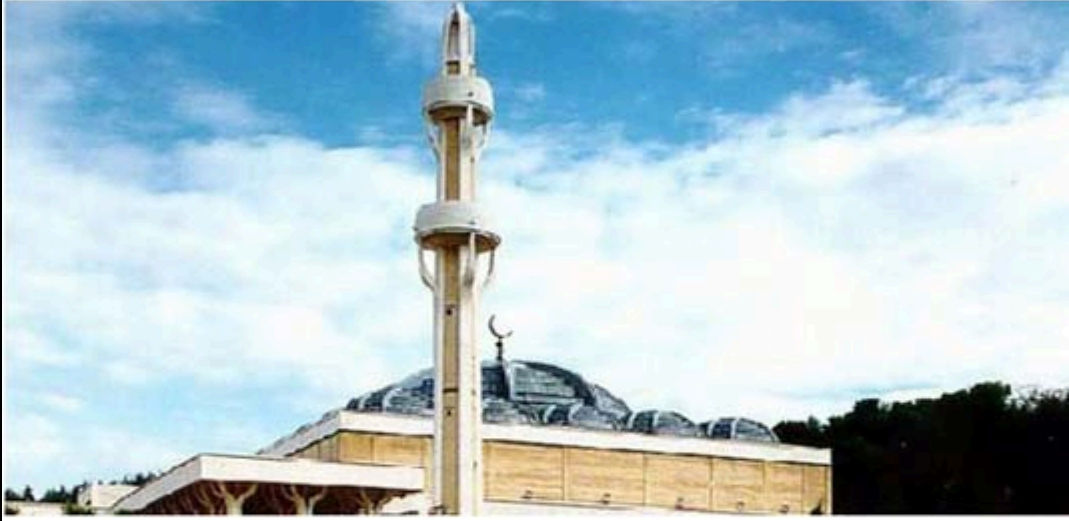

The culture has such architecture in the form of a mosque and owns Europe's largest indoor area, which is so attractive for the Eid prayer literally thousands of Muslims living in and around Rome who flocked to the city center. In order to respond to this demand Eid prayer was performed three times at 8.30 am, 9.30 am and 10.30 am.

The day reflected the joy of Eid as thousands of Muslims of many nationalities exchanged Eid al-Adha greetings.

The image is a screenshot of a news article from the website 'haber monitor'. The page features a blue header with the 'haber monitor' logo on the left, a 'Qurbani/Udhiya' banner in the center, and a 'Purchase Qurbani' button on the right. Below the header is a navigation menu with categories: ACTUAL, WORLD, POLITICS, ECONOMY, SPORTS, EDUCATION, HEALTH, WOMEN, TECHNOLOGY, and AUTO. A search bar is present with the text 'Search the archive' and 'Google Custom Search'. The article title is 'Eid prayer in this mosque is very difficult to miss' in red text. Below the title are social media sharing options for Facebook (Beğen) and Twitter (Follow). The main image shows two men shaking hands in front of a mosque with a minaret. The date and time of the post are '26.10.2012 19:08'. The caption below the image reads: 'Islamic Cultural Center of Italy in Rome, capital of Italy, Eid al-Adha prayer has been made 3 times.'

Bu camide Bayram namazı 3 kez kılındı
