

A Conference Was Held At Cep In France

Harun Yahya representatives held a conference at CEP (**Centre d'Etudes et de Prospective sur la Science/Center for Studies and Prospective on Science**) in France about the [collapse of the evolution](#) and [the unity of the faiths](#).

During presenting a topic titled "the Collapse of Atheism, the Century of Faith", Harun Yahya representatives explained to the crowded audience involving many Christian people that we are living in the [End Times](#), expecting [the second coming of the Prophet Jesus](#) (pbuh) and Islamic moral values will soon prevail across the world.

Besides, the global impact of the works of Harun Yahya, the giant shake caused by the [Atlas of Creation](#) across the world were announced and how the works of Harun Yahya on evolution made tremendous impact on the media were presented. Harun Yahya representatives also talked about their previous experience during an evolution meeting held in Vatican and emphasized to struggle against atheist, materialist and Darwinist worldview by joining hands with the Christians is very critical. Catholic Creationists strongly applauded Harun Yahya representatives.
