

The Way Of The Antichrist Has Caused The Deaths Of More Than 1 Billion People

Our Prophet (saas) has emphasized the scale of the corruption of the antichrist and has warned all Muslims against this danger:

There have been no creation (creating more trouble) than the antichrist, from the creation of Adam to the Last Hour. (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah, 8th. Edition, p. 225)

All the events our Prophet (saas) foretold in the hadiths as portents of the coming of the antichrist have come about one after the other. Our Prophet (saas) foretold that the way of the antichrist would make people irreligious. Today, 99% of people are under the influence of scourges brought about by irreligion and showing that the antichrist is at work, such as wars, conflicts, anarchy, terror, the slaughter of the innocent, murder and a rising suicide rate. Our Prophet (saas) described the kind of environment the antichrist would cause as follows in other hadiths:

... .. There will be much strife, disorder and insurrection (in those times) AND PEOPLE WILL KILL ONE ANOTHER. People kill themselves, and mischief prevails all over the world. At such a troubled time... **THE ACCURSED ANTICHRIST ... will appear.. (Ibn al-Athir, al-Nihayah, vol. 1, p. 131)**

He said: "The Day of Judgment will draw nigh, good deeds will be lacking, people will adopt excessive parsimony and greed, and there will be much turmoil."

The companions asked, "What is turmoil?"

"Killing, killing!" replied the Prophet (saas). (Bukhari, Vol. 13, p. 6023)

The 20th century was one of terrible wars, the like of which had never been seen before. Under the effect of Darwinist, materialist, communist and fascist ideologies, the way of the antichrist caused thousands of cities and towns to be destroyed in the First and Second World Wars, more than 1 billion deaths from hunger, neglect, disease, poverty, suicide and slaughter and at least as many again to be injured or disabled.

Vast masses of people were killed in the air bombing used for the first time in the Second World War, and many cities were devastated. Trustworthy hadiths say that the dajjal will make use of the airplane technology.

The earth will be spread out beneath his feet like a ram's hide is spread out ... (Mustadrak al-Hakim, 4: 529-530)

Antichrist goes as fast as the wind sweeping clouds before it. (Muslim, Kitab al-Fitan: 110)

The characters of fascist and communist psychopathic dictators such as Hitler, Mussolini, Stalin, Lenin and Mao that the way of the antichrist used as tools in this slaughter are all based on Darwinism. They all thought, in the light of Darwinist teachings that represent the fundamental idea of the way of the antichrist, that human beings are a species of animal and believed that societies could progress through waging war.

They all explicitly stated their devotion to Darwin's teachings and admitted in speeches and writings that their philosophies and world views were founded on Darwin and his theory of evolution.

In his reply on 19 December, 1860, (regarding Darwin's Origin of Species) Marx wrote to Engels, "This book contains the basis in nature for our view. (J. D. Bernal, Marx & Science, New York, International Publishers, 1952, p. 17)

- Stalin expressed the importance he attached to Darwin's ideas in these words:

"There are three things that we do to disabuse the minds of our seminary students. We had to teach them the age of the earth, the geologic origin, and Darwin's teachings." (Kent Hovind, The False Religion of Evolution, <http://www.hsv.tis.net/...ke4vol/evolve/ndxng.html> [This book has only been published on the internet.])
