

Harun Yahya books introduced during the Creation Conference at the Moscow Saturn Cinema Hall

The representatives of Harun Yahya participated the meeting held by Sergey Salnikov, the producer of the documentary, “Defendant: Charles Darwin” which was broadcasted on many Russian television channels. The meeting was held at the Saturn Cinema Hall (Maliy Zal Kinoteatr 'Saturn') in Moscow.

In the meeting where academicians also participated, the invalidity of the Evolution Theory is told by taking the Harun Yahya books as references. That everything is created by God was also another topic of the meeting.

The representatives of Harun Yahya also presented the book, “The Collapse of the Theory of Evolution” in Russian to the participants.
