

New Statements by Mr. Adnan Oktar (12 September 2016)

HYPOCRITES CREATE FALSE EVIDENCE. THE PROPHET JOSEPH'S BROTHERS BROUGHT BLOOD STAINED SHIRT TO THEIR FATHER

Surah Yusuf, 18 **"They then produced his shirt with false blood on it."** This is also a typical act of hypocrites. Hypocrites are second to none in creating false evidence. Look at how delirious they were. They commit homicide, murder. They also martyred Abdulaziz with ease. And they produce a bloody shirt. Do you see their tendency to murder? Dauntlessness in committing murder is one of the characteristics of hypocrites.

"He said, "No". Being the insightful person he is, the prophet immediately realizes, **"It is merely that your lower selves have suggested something to you which you did. But beauty lies in showing steadfastness."** Look, do you see their impertinence? **"It is God alone who is my Help in face of the event that you describe"** [Surah Yusuf, 18] **"That night they came back to their father in tears."** [Surah Yusuf, 16] God adds a separate verse to this specifically regarding how hypocrites use crying to their advantage. **"They said, 'Father, we went out to run a race..."** This is a perfect example of the foolishness and typical fraudulence of hypocrites. In their own minds, hypocrites think they have managed to deceive their father. And they say, "We went out to run a race," since they are constantly competitive. Hypocrites characteristically always strive for getting the first place, drawing ahead, going into competition. The verse is quite meaningful as they are always concerned with their pride. **"We left Joseph together with our things."** This draws attention to the fact that they tend to exploit Muslims. Hypocrites want to go into competition and exploit Muslims for protecting their own possessions, items etc. But, they have trust in Muslims. They consider Muslims to be trustworthy in that regard. **"And then a wolf appeared and ate him up."** Such a disgrace. Look at how foolish the statement, the lie is. A typical hypocrite behavior. A terrible lie. "And then a wolf appeared and ate him up." Do you see their dauntlessness? And there is hypocrite courage as well. All hypocrites have such insane courage. They are not ashamed of lying. **"But you are never going to believe us now, not even though we really tell the truth."** [Surah Yusuf, 17] They do subliminal suggestion. This time, they accuse Muslims of being dishonest. "You are never going to believe us now, not even though we really tell the truth." That won't happen even though I explain. You already have a bias. I cannot change no matter what I do. Hypocritical tone.

ARK OF THE COVENANT IS THE LAST GIFT AND A BLESSING INCLUDED IN QURAN TO INCREASE THE FAITH OF HUMANITY

Ark of the Covenant is God's last gift to Mankind. The last gift to increase the faith, excitement and perception of humanity. It is a blessing included particularly in Quran. Because it is astounding. It holds 3500-year-old manna. They can examine the structure of manna. They can also examine the molecular structure and the ancientness of it. The shirt of the Prophet Joseph (pbuh). Countless gifts. The ring of the Prophet Solomon (pbuh). This is very exciting. I don't want to say much about it but there is a treasure underneath the Kaaba. It will be investigated and examined

later. Right under the Kaaba building. It is heralded in the hadiths. Furthermore, Hazrat Omar (ra), Hazrat Ali (ra) does not allow. Our Prophet (saas) foretells that the treasure will be uncovered however this will happen in the time of Mahdi (as). There are very old signs, blessings and beauties left from the era of Prophet Abraham (pbuh). People will be very surprised.

Unknown things. Actually, God has never let any of those places to be uncovered. Neither inside of the pyramids, nor the tomb of Nimrod could have been uncovered and explored. The tomb of Nimrod is a masonic temple at the same time. But, it is covered with rubble. Similarly, there is another treasure hidden under the Lake Tiberias. We think that the Ark of the Covenant lays in there. It is banked up with rocks. Look, no government, no one can say "let's open it", they cannot say this. Why? It is waiting for Hazrat Mahdi (as). In other words they would wipe out at the Day of Judgment without Hazrat Mahdi (as). However, the Ark of the Covenant might not be found easily. That will take some time. Don't wait for that around 2019. It may happen around 2030. Maybe even 2033. (Surah al-Baqara, 248) 2-4-8. **"Their Prophet said to them: "The sign of his kingship is that the Ark will come to you containing serenity from your Lord..."** Now, this is a great miracle. There is a mention of a miracle in the Quran. The Ark comes, the Ark of the Covenant, and is placed. But before it is opened, he is nervous, right? He's overcome with a sense of relief, when it is opened. As a miracle. This is the characteristic of the Ark of the Covenant. People will see this. Therefore, it is covered. It is always kept closed, cannot be kept open. When it is opened, It radiates an immediate sense of relief and security. This is a miracle. This is something that can be perceived virtually. **"...and certain relics left by the families of Moses and Aaron."** What are the relics left by the Prophet Moses (pbuh)? Piece of his rod, stone tablet, manna. God says; **"It will be borne by angels."** In other words, just as there are angels beside people, there are angels beside him as well. **"There is a sign for you in that if you are believer."** In other words, if you have faith and are sincere. Which sign is this, what does it prove? It proves the Mahdi movement, the Islamic Unity and that God's promise is the truth. "There is a sign" means "you will see". **"There is a sign for you in that if you are believer."** What is its abjat number? 2033. The verse is quite clear.
