

Women; more than just statistics

Kadın Nimetinden Mahrum Bir Dünya

There are 7.5 billion people living on earth and women constitute more than the half of that number. This is not a mere statistical number. They are our loved ones; mothers, sisters and wives. The number of men who feel no love for a woman is so few that they could be counted on the fingers of a hand.

Daily Arabic newspaper of Iraq, Az-Zaman is based in Baghdad and is published in London, Baghdad and Beirut simultaneously. Az-Zaman is the most read daily paper of Iraq and the prominent news resource. It was founded in 1997 and has weekly English edition as well.
