

The Muslim Reader

The Muslim Reader is a quarterly magazine published by the Muslim Converts' Association of Singapore. The review of For Men of Understanding, published in the July-September, 2000, edition, reads:

For me the main value of the book is that it emphasizes the wondrous world and thus might encourage some readers to move away from materialist or atheist tendencies.

Reviews of of Harun Yahya's books appear on various sites on the Internet. Above is an example. This review of Islam Denounces Terrorism says:

Hard-hitting facts, focused and to the point, Islam Denounces Terrorism is highly recommended for those wishing to learn more about the world faith of Islam and its teachings in relation to terrorism.
