Repentance gives relief to heart

MARION NAHRA
One of the most important characteristics that distinguishes believers from unbelievers is that believers repent often as an act of worship.

An unrepentant sinner deserves his punishment and unless he does not believe in Allah, he will not be forgiven. People who are not repentant will not be forgiven. Allah is merciful and He will forgive them if they repent. People who are not repentant will not be forgiven. Allah is merciful and He will forgive them if they repent.

Repenting frequently is an act that pleases Allah. In return, Allah gives relief to, lifts the burdens on and opens the minds of those who repent often.

A former Jew's journey to Islam

Mass Tzigan was only 17 years of age when he was converted to the teachings of Islam. He describes what he saw on Islam in relation to his own beliefs and how he came to accept it.

When I was only 17 years of age when I was converted to Islam, I had my own ideas on life. Although my family was not religious, I learned Judaism from traditional Jewish texts as a child. I lived and worked in Israel, in a Jewish community in the United States where there is a large Jewish population. I was a Jew and I was a Jew. I was a Jew and I was a Jew. I was a Jew and I was a Jew.

Tolerance toward other religions

Most religions believe that their own religion is the truest and the most correct. The Prophet Muhammad (peace be upon him) taught that all religions are good and that people should be tolerant towards each other. Türkiye ve Rusya köklü bir dostluğu barındıran iki ülke. Sovyet Rusya döneminde bile bu dostluk ayakta tutulmuş; Türkiye, soğuk savaş sırasında NATO tarafını temsil etmesine rağmen, diğer tarafı temsil eden Rusya ile daima iyi ilişkiler içinde olmuştur. Günümüzde devam eden korkunç çatışmalar sırasında da bu gelenek bozulmamış, Türkiye sınırında seyreden Suriye iç savaşı, Ukrayna krizi, Kırım sorunu da dahi bu itidal zedelenmemiştir. Çünkü Türkiye ve Rusya, Putin'in de belirttiği olduğu gibi bir komşudan çok, iki dost ülkedir.
